<i>giftaid it</i>	Gift Aid is a government programme that allows charities to claim back tax on donations. The scheme enables the Ramblers to receive an additional 25p from HM Revenue & Customs for every £1 donated. Please delete the relevant box above if you DO NOT pay income tax or capital gains tax. If you pay income tax at the higher rate you can claim further relief on your self-assessment form.
-------------------	---

By signing this form I agree to the following terms and conditions:

- My donation does not bestow upon me any right of ownership of the gate unless I am the landowner.
- Maintenance of the gate is the responsibility of the landowner.
- As the gate donor, I am responsible for the maintenance of the plaque. (NB rRIPPLE will replace plaques if required. The cost of replacement plaques, around £30, will be borne by the donor.)
- The type of gate to be installed will be the most suitable for the location as determined by the Buckinghamshire Council (BC) Rights of Way Department. BC prefers galvanised steel gates to timber gates and simple pedestrian gates over kissing gates.
- Gate locations will be determined/agreed by the BC Rights of Way Department and the landowner.
- NB rRIPPLE is unable to agree specific locations, but a list of locations for which permission has been obtained to install a gate can be supplied on request. However, any request for a specific location within North Bucks will be passed to the BC Rights of Way Department.
- Gate installation will be completed as soon as possible as part of the normal NB rRIPPLE work programme.
- The scheme organiser will contact the donor to confirm the installation has been completed and the location of the gate.
- The Ramblers will be the sole arbitrator if an inscription is considered unsuitable by the scheme organiser.
